30.     <p><
31.         One long-term educational goal I have is to go to a
college of my choice and obtain as much knowledge as I can to become a
programmer. I feel as though if I knew more about different programming<
32.         languages I could do better at programming in general.
Another long-term educational goal I have is to also freelance webdesign on
the side of being a programmer just in case programming doesn't<
33.         work out for me at times. If I knew more more about web
design I could make better quality websites for people who need them! I plan
to do this within 1 to 2 years of graduation. <
34.     </p><
35.     <header><h3>Employment Goal</h3></header> <
36.     <p><
37.         My long-term employment goal is to find a well paying job
that suits my life style and allows me to be challenged, but also happy and
content with my work. I plan to do this within 5 years <
38.         after graduation. Maybe even within 4 years after
graduation. I plan on going with the flow and do whatever life throws at me!
